

GAY MIDDLE EASTERN MEN'S GROUP

A space for belonging, healing, personal growth and friendship.

GMEM is a place where you can:

- . **Develop** healthy emotional connections with other gay men
- . **Find** a sense of belonging and support
- . **Increase** cultural understanding
- . **Make** friends with men who share a similar cultural background

If you are a gay man of direct Middle Eastern origin, heritage or culture and you seek emotional support and a place to talk fully and honestly about your life, the Gay Middle Eastern Men's Group of the San Francisco Bay Area may be for you.

GMEM meets twice a month in San Francisco.

A phone interview is requested prior to joining the group.
